

Ector JH/HS Booster Club

The Ector ISD Junior High/High School Booster Club's goal is to increase opportunities for student engagement and recreation throughout the school year. Ector is small district and community, so funding and resources are limited!

We are looking for sponsors to help us make 2024-2025 a fantastic year for our students by purchasing ad space on the HD Video Board in the gym.

We have a great group of students, teachers, and administrators at Ector ISD and would greatly appreciate your consideration of sponsorship!

Thank you for supporting Ector ISD students!

Annual Sponsorship Packages (August 2024-May 2025)

Eagle Sponsor: \$250 and Up!

- Full Screen ad displayed on HD Video Board at all Home High School and Junior High Basketball and Volleyball games.
- Recognition will be provided for all sponsorships on the Student Activity Booster Club Facebook page and when other print recognition opportunities arise!

Spirit Sponsor: \$100

- ***Any sponsorship amount is appreciated!***
- Sponsors of \$100 or more will be listed by name on the HD Video Board.
- Recognition will be provided for all sponsorships on the Student Activity Booster Club Facebook page and when other print recognition opportunities arise!

-
- Ads will run continuously throughout home games (more than 50 games). Home sports events are typically well attended, and the capacity of the Ector gymnasium is 600.

It's a great day to be an Eagle!
